Czech lullaby
English lyrics by Suzi Zumpe

Sleep well, my darling, goodnight, my love.
Angels will guard you from up above.
Rest your head, breathing deep,
Dream golden dreams while you softly sleep.

Sleep well, my dar-ling, good night, my love, An-gels will guard you from up a - bove.

Rest your head, breath-ing deep, Dream gol-den dreams while you soft - ly sleep.
